Objet : Reinstatement of certification EN9100 et EN9120

DARDILLY, le 25 Juillet 2019

Dear Sir,

Further to the completion of a special audit in May and June 2019, we are pleased to inform you that we are now able to lift the suspension dated 24 July 2019 of certification EN9100 : 2018 and EN9120 :2018.

We have taken note of your agreement for a special audit to be performed mid-October 2019 to verify the status of the Remediation Plan and the nonconformities issued at previous audits.

Your certification is now in a valid status and you can start again an active communication about it.

We remain at your disposal for any further information.

Yours sincerely

Pierre PANIS
Aerospace certification manager
