Technical/ commercial meetings are generally held on our booth; lunch invitations are organized at the Aubert & Duval 'Chalet', a secluded place looking over the Bourget tarmac, so as to watch the flying display.

You can easily access all the Aubert & Duval information through our Intranet site, at <http://ad01m/Bases/salon%20bourget.nsf/>

In addition, please find attached **a recommendation note**, which is also valid for all types of exhibitions.

At this opportunity we release 2 new market brochures :

**'High-Strength Steels and Alloys for the Defense Industry'**, a 8-page document displaying our capabilities in the field of missiles, gun barrels and other products related to this industry, well represented in Le Bourget.

**'The Source for your Aerospace Material'**, a 2-page flyer presenting our Heyrieux distribution center.

Brochure files under .pdf format are attached. As usual, printed brochures are available at the following e-mail address : [documentation-ad@eramet-aubertduval.com](mailto:documentation-ad@eramet-aubertduval.com)
