

## LONG PRODUCTS AND TOOL STEELS STANDARD OFFER

### A&D PRODUCT MANUAL Part I

Please find attached the **Long Products** and **Tool Steels standard offer**. This represents the industrial product range, including large flat and round bars from FIRMINY and excluding drawn bars\*.

This manual will help you to quickly answer a customer or a prospect with no specific requirements.

This document is CONFIDENTIAL and for your OWN USE ONLY.

This Product Manual Part I will be later completed by a Part II, relating to open-die and closed-die forged parts. It will also be updated along with the offer evolution. Any remark or suggestion for improvement is welcome.

Patrick de Vernon

\*For drawn bars, please ask the Market Manager in charge.
